To the Southern USA Falun Dafa Association-DFW,

Congratulations to you as you celebrate World Falun Dafa Day. Practitioners in Dallas-Fort Worth have enjoyed the physical and mental health benefits of Falun Dafa for 19 years while also upholding its core principles of truthfulness, compassion, and forbearance. Today, practitioners from around the world come together to celebrate the practice that has assisted them with improving their health and moral standards, as well as deepening their understanding of life, humanity, and the universe.

As the United States Congressman for Texas Congressional District 33, I offer my congratulations and best wishes to you.

Sincerely,
