老舍大老舍

A vibrant illustration of three children in traditional Chinese attire. The child on the left, wearing a green top and white pants, holds a long pole with a red lantern that has the Chinese character '福' (Fú, meaning blessing) on it. The child in the center, wearing a yellow top and white pants, holds a long pole with a pink lotus flower. The child on the right, wearing an orange patterned top and white pants, holds a long pole with a large, detailed red fish. The background is a warm, stylized orange and yellow, suggesting a sunset or sunrise, with a large, glowing yellow shape on the right side.
